SUBJECT Confidentiality on Part B permit		(Record of item checked above) DATE 10-1-82 TIME	
SUMMARY OF COMMUNICATION <p>Mr. McMann stated that when they submit the application, they will note in the letter and on the plan sheets that they are claiming confidentiality for the plot plans of the facility. They are concerned not about business info, but about security, since they regular have visits from VIP's such as the President, Congressmen, Dept of Defense, foreign dignitaries, etc. Since the plans show entrances and sewers, they feel there could be security problems. He will enclose an interdepartmental memo from DOD allowing them to claim this confidentiality. I told him we would look at and, if we objected to the request, we would contact them and allow them to justify it more thoroughly before any release.</p>
